**BC Care
Providers**
ASSOCIATION

Dear Prospective Sponsors,

The BC Care Providers Association 2018 conference is entitled **Shift Happens!** and will focus on the many prevalent shifts that are happening throughout in the continuing care sector. Inspiring and motivating workshops, high profile opening and closing key note speakers, engaging networking events, and a dynamic tradeshow make the BCCPA annual conference the premiere event to promote your goods and services.

Our 2017 Annual Conference had a record attendance with over 500 service providers, commercial members, exhibitors, and community service groups from across Canada and beyond. We anticipate this number to continue to grow as our first-class educational program, dynamic networking events, and the magnificent setting of Whistler make this conference one of the top events to attend in Canada.

We are expecting over 260 key decision makers to be in attendance including owners, operators, senior management, and board directors from the continuing care sector. Our growing membership base includes over 300 residential care, assisted living, and home care members from across British Columbia and Canada.

Our members employ in excess of 20,000 people and provide care for over 27,000 seniors each day.

Why should your organization be a part of this event?

- Become a recognized sponsor at British Columbia's premiere continuing care sector event
- Meet face to face and promote your organization and services to key decision makers
- Become involved in our mission to enhance quality of life for seniors
- Learn about current and future trends in the continuing care sector

If you have any questions please feel free to contact me anytime.

Best,

Cathy Szmaus
