- 1) Strongly Disagree
- 2) Disagree
- 3) Neither Agree nor Disagree
- 4) Agree
- 5) Strongly Agree
- 6) Unsure/ Don't Know

Innovative Care Models

How should we be caring for seniors living with Dementia?

Butterfly Care Homes?

Care focused on feelings rather than thoughts; small household environment

Dementia Villages?
Secure communities where
residents live in small households
with like minded individuals

Dementia Friendly Communities?

Helping people with
dementia feel included
and supported in the
places they work, live
and play

Q2.F Based on what you know, which of the following dementia models or initiatives should be prioritized for development in BC?

- 1) Butterfly Care Homes (such as in the UK and Alberta)
- 2) Dementia Villages (such as in Netherlands)
- 3) Dementia Friendly Communities (New Westminster)
- 4) None of the Above
- 5) Unsure/ Don't Know
