

Care to Chat

BC Care Providers Association

August 21, 2017

Care to Chat is a special speaker series hosted by the BC Care Providers Association. We invite Canada's opinion leaders and experts to share their ideas, thoughts, and insights; as well as engage in a dialogue about important and emerging issues facing British Columbia's continuing care sector. The talks are held as either breakfast or lunch sessions with plenty of time to network before the program begins. Audience members include residential and home care providers, government and health authority representatives, health and legal professionals; as well as seniors and families.

The 2017-18 sessions will include three forums tentatively scheduled to take place in:

- October 2017
- November 2017
- February 2018

Care to Chat provides great exposure for your company:

- Over 120 paid attendees each session in the 2016/17 season
- >77% attendees are service provider members of the BCCPA
- Significant coverage in Vancouver Sun and other province-wide media
- 15,000+ direct hits on the BCCPA website for posts related to *Care to Chat*
- All events attended by key decision-makers and leaders within BC's Continuing Care sector
