

REIMAGINE

INJURY PREVENTION

Do you have an idea for a new safety device, tool, or strategy that could enhance staff safety in your workplace?

Injuries in the Continuing Care Sector negatively impact staff and the safety of seniors.

MOST INJURED BODY PARTS

Tell us about your innovation in a **one minute video or in 250 words or less** for a chance to compete for cash prizes:

Sponsored by:

① \$1,000

② \$750

③ \$500

Three Finalists will compete at the 2017 BC Care Providers Association Conference “Safety Den” on May 29 in Whistler. SafeCare BC will help cover the costs for finalists to participate if needed.

Deadline for submissions is **April 21, 2017**
