- 3) The grant recipient acknowledges that BCCPA has no responsibility for maintenance of the capital purchase or rental while it is in your possession, or for loss, damage or expense caused to you or others by improper inspection, repair, condition or use of the capital purchase or rental.
- 4) The grant recipient is responsible for ensuring that the capital purchase or rental is properly maintained and safely operated.
- 5) Regular inspection and maintenance of all capital purchases are the responsibility of the grant recipient and is essential to ensure its safety and efficiency.

E. Audit and Financial Control Requirements

- 2) BCCPA, an appointed representative or third party reserves the right to conduct an onsite inspection to validate the capital purchase or rentals utilized and as funded through SSQIP. Care homes must make every reasonable effort to accommodate this request within a mutually satisfactory timeframe

F. Suspension, Revocation and Repayment of Grant Funds

- 1) If it is identified that the capital purchase or funding for rentals did not meet the Terms & Conditions of SSQIP, BCCPA reserves the right to ask for the repayment of all or a portion of the grant funds, and/or suspend or revoke the grant in full.
- 1) Information collected for the purposes of the application is protected not to be released to anyone for any reason, except as required by law, as required by the BC Ministry of Health Terms of Reference for reporting requirements and as required by the SSQIP Release of Information for the purposes of program funding awareness and recognition.
