

Ed Helfrich Long-Service Excellence Award

The ED Helfrich Long-Service Excellence Award is awarded to a member owner/operator or a member employee/contractor who has a 15+ year industry track record of developing and delivering quality care for individuals in care.

Please complete the following application. When completing the application, think about an example of an initiative or project where the nominee's actions resulted in sustainable change in care practices, organizational performance, and resident/client quality outcomes. Please feel free to use one example to answer all the questions and remember to provide concrete examples for the adjudicators to consider.

Adjudication of nominations are carried out by the Events and Recognition Committee and presented to BC Care Providers Association Board of Directors for approval.
