

### **Safety Champion**

The Safety Champion Award recognizes and celebrates individuals and member organizations who are passionate about promoting a culture of safety, and whose efforts have had a significant impact—something that has made or continues to make a difference in supporting our shared goal of seeing every worker return home safely at the end of day.

Please complete the following application. When completing the application, think about an example of an initiative or project where the nominee's actions resulted in sustainable change in the culture of safety in your organization. Please feel free to use one example to answer all the questions and remember to provide concrete examples for the adjudicators to consider.

Adjudication of nominations are carried out by the Events and Recognition Committee and presented to BC Care Providers Association Board of Directors for approval.
