

42nd Annual Conference

Fairmont Chateau Whistler, BC
May 26-28, 2019

SPONSORSHIP PROSPECTUS

**BC Care
Providers**
ASSOCIATION

The Q Factor... what is it? Do you have it? The Q factor or Quality factor is a concept that is applicable in many areas of physics and engineering. The 2019 BCCPA Conference will focus on the Q factor in the continuing care sector. What do owners, operators, leaders, and staff need to do to improve quality of seniors' care? How do you improve the quality of life of the seniors being cared for and for those who care for them?

Inspiring and motivating workshops, high profile opening and closing key note speakers, engaging networking events, and a dynamic tradeshow make the BCCPA Annual Conference the premiere event to promote your goods and services.

Our 2018 Annual Conference had a record attendance with over 500 service providers, commercial members and exhibitors from across Canada and beyond. We anticipate this number to continue to grow as our first-class educational program, dynamic networking events, and the magnificent setting of Whistler make this conference the premier event for the continuing care sector.

We are expecting 300 key decision makers to be in attendance including owners, operators, senior management, and board directors from the continuing care sector. Our growing membership base includes over 300 residential care, assisted living, home care members from across British Columbia.

Our members employ over 20,000 people and provide care for over 17,000 seniors in residential care and over 10,000 in home care settings each day. Increase your brand's visibility by becoming an event sponsor and show your support for the continuing care sector.

The 2019 Sponsorship Prospectus offers opportunities that have been created to meet a wide range of budgets and scope. Custom sponsorship opportunities will also be considered.

If you have any questions about the prospectus, please feel free to contact me anytime.

Best,

Cathy Szmaus

Director of Events & Administration
