

**46TH ANNUAL  
CONFERENCE**  
SPONSORSHIP PROSPECTUS

Victoria BC  
May 28, 2023 - May 30, 2023

Our 46th Annual Conference will be held at the Victoria Conference Centre in 2023. Steps away from the BC Legislature, 'Taking Care of Business' will invite elected officials and various ministry staff to participate in our panel discussions and networking events.

While the location will be different, our goal remains the same: create opportunities for our sponsors to market their goods and services and to form valuable connections with key decision makers from the seniors' living and care sector.

We are expecting over 300 key decision makers in attendance including owners, operators, senior management, and board directors from the seniors living and care sector. Our growing membership base includes over 430 long-term care, assisted living, and commercial members from across British Columbia. Through our operating arm [EngAge BC](#), we represent independent living, as well as private pay assisted living, long-term care, and home health services.

The 2023 Sponsorship Prospectus offers opportunities that have been created to meet a wide range of budgets and scope. Custom sponsorship opportunities will also be considered.

Booths in prime locations have been reserved for our gold and silver sponsors, which will be allocated on a first come first served basis. Event sponsors over \$5,000 will be offered priority booth selection before registration opens to all commercial members on November 21st, 2023. All sponsors will be guaranteed a booth. As our tradeshow sells out quickly, avoid disappointment and book your sponsorship today.

If you have any questions about the prospectus, please feel free to contact me anytime.

Let's take care of business,

# WHAT PEOPLE HAD TO SAY ABOUT #BCCPA2022

What do you think we did well?

Logistics. Delegate engagement. Recognition - delegates and vendors. Food was great. Safety Den was a good attraction again. This is the premier LTC event in North America !!

What did you like best about Up, Up & Away?

Everything! In the months of preparation, the staff at BCCPA were responsive, helpful and you could feel that they wanted to make sure everyone got the most out of the event. There was plenty of time and encouragement to go to the trade show. The layout was fantastic, food was delicious and varied.... content was interesting, inspiring, keynote speakers were well chosen. We kept hearing that this was one of the very best long term care events in the country and I can absolutely believe it!

What did you like best about Up, Up & Away?

Opportunity to network - Information/learning sessions - Opportunity to learn from operators and have meaningful discussions

What did you like best about Up, Up & Away?

I was a vendor, and I really appreciated that participants came to the EXPO, spent time to walk through and speak with vendors. I had really wonderful conversations with participants, really connected and enjoyed meeting everyone.

What did you like best about Up, Up & Away?

Excellent speaker presentations, evening events were stellar, loved meeting folks in the sector and connecting in person.

What do you think we could improve on for next year?

Honestly, nothing comes to mind!

## OFFICIAL CONFERENCE WATER BOTTLE

Max. 1 sponsorship available

SOLD

Since 2009, Victoria Conference Centre has worked tirelessly to measurably reduce environmental impacts. Finally, in 2021, the venue has been designated as carbon neutral by noted corporate sustainability management firms Synergy Enterprises and Offsetters.

With this new initiative, VCC has provided attendees with water stations to fill up water bottles instead of providing single use plastic cups or bottles. Why not showcase your support for the environment by sponsoring reusable water bottles for all delegates.
