Her business acumen and global partnership development skills offer the Trillium Talent Resource Group not only a global business network, but also a wealth of knowledge and understanding regarding international business trends and cultural diversity. Under Poonam's leadership, Trillium has grown exponentially and diversified its business to provide its clients the full service, be it HR Consulting, Workforce Planning, Recruitment and Staffing or education.

**What skill and or experience will you bring to the committee?**

I have been in healthcare industry specially in the Seniors care Industry since 1999. Since we have national presence , I have worked with the clients in several provinces . I have participated in several trade shows not only across North America but internationally. In addition I have personally organized several international trade shows and conferences in the past. I was the organizer of Asia Show at the Exhibition Place in Toronto with 21 countries participating for three consecutive years.

I think I can contribute to the committee my experience as an event organizer as well as a trade show participant.
