CHANGES

The BC Care Providers Association's 48th Annual Conference returns to the Victoria Conference Centre June 1-3, 2025.

The conference theme is **Changes** and it will explore the changing landscape of senior care and housing. As our population ages, the demand for innovative solutions, compassionate care, and supportive environments becomes increasingly urgent. This event will bring together experts, operators, policymakers, and community leaders to share insights and strategies for improving the quality of life for seniors.

A new provincial government will be in place and changes in leadership within ministries overseeing senior living, wellness, and care are inevitable. This conference offers a unique opportunity to learn about new directions for addressing the significant challenges faced by our aging province.

The conference will also highlight opportunities for collaboration across all levels of government to ensure that older adults receive the highest quality care and support in their later years.

The 2025 Sponsorship Prospectus offers opportunities that have been created to meet a wide range of budgets and scope. We have worked hard to create opportunities for our sponsors to market their goods and services, as well as make valuable connections with key decision makers from the seniors' living, wellness, and care sector.

Booths in prime locations have been reserved for our Gold and Silver sponsors, which will be allocated on a first come first served basis. All sponsors will be guaranteed the option of purchasing a booth and will be offered priority booth selection. The remaining booths will be released to commercial members on November 4th, 2025.

As our tradeshow sells out quickly, avoid disappointment and book your sponsorship today!

If you have any questions about the prospectus, please feel free to contact me anytime.
