

BRADLEY TAYLOR

BC TEXTILE INNOVATIONS SALES MANAGER

Hi there! My name is Bradley Taylor, and I've been working in the care industry for over 24 years. My journey has taken me all across Western Canada, where I've been dedicated to servicing care facilities. It's been an incredibly rewarding experience, and I've had the pleasure of meeting many wonderful people along the way.

I'm a regular attendee at the BC Care Providers conferences, almost every year. This event is a great way to stay updated on the latest trends and innovations in our field. Before COVID-19, I was honored to hold a seat on the committee. I'm eager to get the opportunity to serve on the committee again and continue making a positive impact.

Outside of work, I'm a huge Vancouver Canucks fan. Supporting the team through all their ups and downs is something I'm really passionate about. This passion for teamwork and dedication is something I carry over into my professional life as well.

What skill and or experience will you bring to the committee?

With over 24 years in the care industry, I bring a wealth of experience in servicing care facilities across Western Canada. As a long-standing exhibitor at BC Care Providers conferences, I have developed a deep understanding of the needs and challenges that exhibitors face. I would love the opportunity to take on the challenge of being the voice for exhibitors once again. My dedication to excellence and proactive approach ensure that I will be a valuable asset in representing and advocating for all exhibitors
