

MARK DAME

GORDON FOOD SERVICES NATIONAL BUSINESS DEVELOPMENT HEALTHCARE MANAGER

Mark Dame is the National Business Development Healthcare Manager with Gordon Food Service, and is a member of the leadership team for Healthcare & Senior living for Gordon Food Service Canada. Mark has been with Gordon Food Service for the past 10 years, and has held various leadership roles with a dedicated focus of supporting our customers and the residents in their care. Prior to joining Gordon Food Service, Mark came from Operations in Senior living as well as a culinary background in Hotels. His last 19 years in the Food Service Industry have given him the experience to see Healthcare & Senior living operations from various angles of perspective. He has a heart for serving Seniors along with a passion to support customers with the tools, education, and resources available that he can share on behalf of Gordon Food Service. On a personal note, Mark and his family operate a small farm in the beautiful Okanagan where they also provide local products within their community.

What skill and or experience will you bring to the committee?

- Previous Healthcare Operational experience from previously working in the industry
- Been a commercial member for the past 10 years working closely alongside many of the BC Care Members
- Previously attended many conferences over the years, have feedback from the Commercial side from previous experiences
- Connected with a large amount of Healthcare operators in the industry, and can provide direct feedback from members on what they find to be of value
- Feel I have great relationships with many other commercial members to represent them
- Hospitality and Business Background
- Creative Outside the box thinking and attention to detail
- Collaborative thinker

I feel that I have the experience and understanding from the commercial side to be the collective voice, and represent commercial members for the next BC Care Conference planning.

Thank you for your consideration
