

RESIGNING MEMBERS

Associate

- **UBC Master of Health Leadership and Policy**
 - Chelsea Ousey
 - At this juncture, the program leadership is evaluating the MHLP Seniors Care offering to discern the optimal course of action. Should the program persist as a master's degree, they may reconsider attendance at the event in subsequent years.

- **St. Paul's Foundation's**
 - Diana Li
 - Request for resignation was received with the explanation to the reason behind the decision.

Commercial

- **IPAC Consulting Inc.**
 - Stephanie Cini
 - The perceived value of the membership did not align with their business goals for 2024. While they acknowledge the program's merits, they believe it does not reflect their current business objectives.

- **Resident Views**
 - Sean Beniston
 - Request for resignation was received with the explanation to the reason behind the decision.

- **Wilshire Works Inc.**
 - Jim McEachran
 - Organization did not secure a booth for our upcoming conference, and membership dues will not have an ROI.

- **Uvairos**
 - Johann Russell
 - UVairos Inc. has shut down operations and their owener has retired.

- **BD**
 - Andrea Boast
 - Opting not to renew due to financial and time constraints.

- **Ambient Activity**
 - Tammy Ritchie

- Due to financial constraints exacerbated by COVID-19, they're unable to attend the conference and need to redirect marketing funds towards entering the US market with their products, expressing gratitude for their past involvement with BC Care.
- **3rdPlus**
 - Randi Saeter
 - Resignation was forced due to insufficient communication and yearly membership fee payment.
- **SAFERhome Standards Society**
 - Colin Doylend
 - Resignation was forced due to insufficient communication and yearly membership fee payment.
- **Pro Recruitment Services**
 - Bisman Arora
 - Resignation was forced due to insufficient communication and yearly membership fee payment.
- **Communication Connection (BC) Inc.**
 - Stewart Irwin
 - The company closed in August 2023 due to bankruptcy, with most employees pursuing other opportunities.
- **Abbvie**
 - Malinowski, Mark
 - Abbvie made the decision to end the Resident First program, resulting in the termination of their efforts in senior's care. They will not be continuing until there are changes at the head office.
- **Motitech**
 - Dan McEwen
 - Due to ongoing challenges, the Norwegian board has decided to close all international market teams and consolidate sales and support operations in Norway, although customers have not yet been notified.
- **Span Medical Products Canada**
 - Marc Thompson
 - Span and Handicare are now one company under Savaria. Membership is being folded into the Savaria membership.
- **HUB International**
 - Ryan Kostiuk
 - HUB lacks the suitable product fit for your members. However, they are developing a senior care program to offer more options for property and liability insurance needs,

which may take a few quarters to finalize. Their intention is to rejoin once this competitive program is established.

EngAge BC

- **Bayshore Home Health**
 - Last year the organization consolidated the private branches in BC down to three locations.
 - North Shore
 - Surrey
 - Richmond, Delta Whiterock
 - Bayshore Home Care Solutions

Service Provider

- **Optima Norman Manor**
 - Tia Everitt
 - Site is now being managed by Columbus Charities/Knights of Columbus who are not members.
