

Executive Director

Haro Park Centre

Vancouver, BC

Haro Park Centre is a Campus of Elderly Health Care, the first of its kind in Vancouver. The Campus of Care provides independent housing, assisted living and residential care, allowing elders the opportunity to age in place. As their needs change, Haro Park Centre is able to provide elders with the necessary care without moving them away from the home that they have come to know and the relationships they have developed.

Haro Park Centre has 154 complex care residents and 64 subsidized apartments for independent and assisted living, and is located in Vancouver's diverse West End, a short stroll from the Robson Street shopping area.

With a record of stability, Haro Park Centre prides itself on the quality of care it provides its residents, and its sense of home for those who live there. Its dedicated Board of Directors is comprised of representatives from its two founding societies as well as other representatives.

There is now an opportunity for a successful health care leader who brings long term care experience as well as a well-developed business sense to take Haro Park Centre to the next level in quality of care and quality of life for its residents.

With its central Vancouver location, this position will be of interest to those who enjoy motivating a caring staff, working with appreciative residents and their families and truly making a difference in people's lives. It's an exciting role as Haro Park Centre moves towards the future.

To explore this exciting opportunity further, please contact Alex Verdecchia, Kathryn Young or Ken Werker in our Vancouver office at 604-685-0261. You may also contact us, or submit your résumé and related materials for consideration to averdecchia@boyden.com.
