Park Place Seniors Living is seeking an energetic and visionary health care professional to fulfil an exceptionally rewarding, senior management position as:

Vice President of Quality Assurance

Unique to Park Place, this position ensures Park Place remains a leader in seniors' care by ensuring high quality care is delivered to seniors at all Park Place residential care homes in B.C. and Alberta. The Vice President of Quality Assurance is one of three vice-presidents who report directly to the Owner, Founder, and President of Park Place.

This position illustrates the high priority Park Place places on the provision of high quality care and services and on maintaining national Accreditation at each care home. The Vice President of Quality Assurance will inspire delivery of high level, compassionate care throughout the company.

Overview

The successful applicant will lead the caring professionals at each Park Place location by working collaboratively to:

- Uphold the Park Place mission to enrich the lives of seniors;
- Implement best practices and risk management at all Park Place locations, including arranging training, in-service and policy development as needed;
- Lead Park Place care homes in the development, implementation and evaluation of policies and procedures which support exemplary care;
- Develop, track and confirm detailed processes which achieve Park Place's strategic directions, goals and objectives;
- Maintain a comprehensive, company-wide quality assurance program backed by regular audits and evidence proving adherence to company policies and procedures for optimum care; and
- Successfully lead Park Place through national Accreditation Canada audits, in conjunction with the Vice President – Operations, in order to maintain accredited status on all Park Place care homes.

Additional Responsibilities

In support of the above goals, additional responsibilities include:

1. Participation in strategic planning and ongoing policy development to achieve the Park Place mission, vision and values, and strategic directions;
2. Ensuring the company's care homes meet all health authority and licensing requirements and follow Accreditation Canada standards;
3. Working with the Corporate team to develop succession planning and long-term goals for Park Place; and
4. Ensuring clinical services are regularly monitored and routinely audited through a standardized quality assurance and improvement program and that issues are promptly addressed to ensure quality care is provided to residents.

The successful applicant will enrich the Park Place family with the following experience and attributes:

- A degree(s) in nursing, health management or equivalent experience;
- At least 10 years' experience in seniors' health care or equivalent;
- Strong Leadership skills: participatory, visionary and collaborative with an ability to problem-solve and resolve conflicts; and
- Innovative, creative, systematic thinking.

Bonus attributes would be:

- Knowledge of health care collective agreements and provincial labour legislation in B.C. or Alberta or both;
- A sound understanding of community relations, customer service, and marketing; and
- Effective networking skills.

The successful applicant may be based in B.C. or Alberta and must be willing to travel as required. A competitive salary and benefits package commensurate with experience is offered.
